Notes

This map only shows connecting railbus services at train stations. These railbus services replace train services. Many more bus services are scheduled to connect with train services at most train stations.

For details call 13 12 30 any time or visit translink.com.au.

Express services do not stop at all stations depicted on this map. Please refer to separate line timetables for details.

Most train stations and some busway stations provide free park 'n' ride facilities.

Services to and from the airport stations travelling along the airport spur are operated by Airtrain Citylink Limited ABN 98 066 543 315 pursuant to a contract for services with Queensland Rail.

^ Gold Coast line services stop at Park Road, Coopers Plains and Loganlea stations off-peak only.

* Indicative of future planned public transport infrastructure only. Not all planned stations are shown.
